

# **ADVANCED** EHS CONCEPTS

## Walk/Work Surfaces Training

### Training Overview

One common need in workplaces is the need for a safe and secure walking or working surface on which to stand, work or travel.

Advanced EHS Concepts' Walk/Work Surfaces Training places focus on identification, evaluation and control of hazards associated with falls at the same level; and the hazards associated with falls from elevated surfaces.

### Who should attend?

- All employees who could be exposed to the risk of falls in the workplace
